In order to get filing codes, the attached form needs to be signed and notarized by each applicant by the Signature Information. Just sign right by the typed name. The notary can attach another sheet or stamp the bottom of the form ID.

Once notarized, the form and notary signature need to be faxed to us at 760-942-0353 and we will do the follow up.

Once that is done, it takes the SEC 1-2 days to process the codes.
